We are a well-established flooring company with over 50 years in business and we're looking for experienced flooring subcontractors to join our network. If you specialize in ceramic tile, carpet and LVP/LVT we have consistent work ready for you.

What we are looking for:

- *skilled installers with experience in ceramic tile, carpet and LVP installation
- *Reliable crews with their own tools, equipment and transportation
- *Strong attention to detail and commitment to quality workmanship
- *Ability to meet details and work professionally on customer job sites
- *Proper insurance and WCB coverage

What we offer:

- *steady work year round
- *competitive rates and prompt payment
- *Well-organized scheduling and support from our team
- *Opportunity to work with a respected company with a solid reputation in Calgary

If you're a professional installer looking to keep your crew busy, we'd love to connect with you.
